

Competition # V1230

Water Technician Coordinator

Full-time

Closing Date: Tuesday, November 5, 2019 at 4:30PM

Under the general direction of the Utility Operations Superintendent or designate, the Water Technician Coordinator provides technical advice and work direction to other staff to ensure a continuous supply of treated potable water. Ensures that service delivery meets the expectations of internal and external customers in accordance with the appropriate regulatory and licence requirements.

This is a bargaining unit position with a wage rate of \$45.87 (under review) per hour and includes a full benefit package upon the successful completion of a four month probationary period with the SCRD.

Applications for this position must include a current resume, a cover letter quoting the competition number and verification of education/certification submitted via [EMAIL](#) to Human Resources by the closing date and time shown above. Qualification requirements including formal education, training, experience and other skills and knowledge can be found in the job description available with this posting.

We thank all candidates for their interest; however only those selected for interviews will be contacted.
